Notice:UG Admission - Fresh wish registration

Date: 15<sup>th</sup> September, 2022

After the admission from the “38th Admission call list for admission in phase III” is over, as stated earlier, we are going to start a fresh online wish registration process to fill up some residual vacancy in different subjects. The candidates who are yet to get any admission offer so far will be given opportunity to show their willingness for taking admission in this college. Those candidates, who are truly interested to get admission as on date, are directed to show their willingness as wishes in the stipulated time as given below. **Those, who registered their wishes earlier, are directed to register their wish again as the earlier wish registration will no longer remain valid after this phase of admission. After the stipulated time is over, no wish is to be taken into consideration.**

This wish registration process is not final- we may further call for wish registration in the future if needed. **Henceforth, admissions in Phase IV will be done from this FRESH WISHLIST and strictly according to merit.** Showing willingness does not ensure admission.

To register wish: Visit the college website, click on Online wish registration, then click on login link beside candidate’s name, give your Application number and password, and then, on your page, tick the box next to the link “I am interested”

**Date and time for registering wish:**

**16.09.2022, 10 a.m. to 17.09.2022, 11:00 p.m.**
