

FAQs

1. Who can apply for admission in UG course?

Ans. Those candidates who qualified 10+2 level examination from recognised boards in this year (2021) or in the last year (2020).

2. What are amount of application fees and admission fees?

Ans. There is no application fee. Admission fees for different courses are given in admission portal of the college website.

3. What are the documents to be uploaded alongwith the application form?

Ans. See the admission procedure on the website.

4. Is there any separate merit score calculation system for reserved category students?

Ans. No, merit score calculation is same for all.

5. Is the merit list same as the admission list?

6. Ans. No, Merit list is prepared according to the merit score of applicants and it contains the names of all the valid applicants. Admission list is extracted from Merit list and contains those names based on the number of vacant seats available in any particular subject. Name in the merit list does not ensure that name will be there in the admission list.

7. Is there any cut off marks for admission in subjects?

Ans. Vide the eligibility criteria (subject criteria) available on the admission portal.

8. Is there any deduction of percentage for the boards other than W.B.C.H.S.E.?

Ans. No, all the recognised boards are at par and hence no deduction of marks.

9. What I have to do in case I don't receive SMS/Email regarding the application form fill up procedure?

Ans. Contact with the college authority via whatsapp or email given in the admission portal of the college website.

10. Is there any option to change the subject preference after submission of the application form?

Ans. Only within the period of online form fill up, you can add/remove subject.

11. How can the admission be cancelled due to any reason?

Ans. One cancel his/her admission after login with his/her user id and password and then clicking the cancel admission link. If any problems occur, one can request the college authority for cancelling his/her admission by sending a mail from his/her registered mail id.

12. Does taking admission mean registration with the affiliating university?

Ans. No. Affiliating University will set the dates and procedure for registration after the successful admission in the college.

13. What I have to do in case I am admitted in more than one college?

Ans. Before the admission process is over you have to cancel admission in other college(s) and you have to register your name in one college only during registration under affiliating University.

14. Do the students from other states need any type of migration or domicile certificate for admission?

Ans. Yes, it is required.

15. Is the hostel facility available with this college?

Ans. Yes, for both boys and girls- admitted students have to apply when notification will be given on the college website.

16. What are the students' scholarships available after admission?

Ans. Vide college website.

17. Are the Tech. courses taught here?

Ans. No Tech. or Professional courses are taught here.

18. What are the college timings?

Ans. 10:15 to 17:15 hrs. (For offline classes)

19. What to do if marks are changed subsequently after submission of application form?

Ans. In order to rectify marks, login with userid and password, first cancel all the subjects applied for then change the marks, again add subjects and confirm the subjects.

*** No changes in marks will be allowed after publication of merit list.**
