Complete Concrete Solutions

### **RMC India Division:-**

Prism RMC is one of India's leading Ready-mixed concrete manufacturers, set-up in 1996. Prism RMC currently operates 97 ready-mixed concrete plants in 44 cities/towns across the Country. Prism RMC has also ventured into the Aggregates business and operates large Quarries and Crushers. At present, Prism RMC has 5 Quarries across the country. Prism RMC has been at the forefront in setting high standards for plant and machinery, production and quality systems and product services in the ready-mixed concrete industry. For more details log on to our website [www.rmcindia.com](http://www.rmcindia.com)

### **H & R Johnson Division :-**

Established in 1958, H & R Johnson (India) is the pioneer of ceramic tiles in India. For over five decades, HRJ has added various product categories

Complete Concrete Solutions

to offer complete solutions to its customers. Today, HRJ enjoys the reputation of being the only entity in India to offer end-to-end solutions of Tiles, Sanitaryware, Bath Fittings, and Engineered Marble & Quartz. All the products are sold under 4 strong brands, viz. Johnson, Johnson Marbonite, Johnson Porselano and Johnson Endura. In ceramic / vitrified tiles, HRJ along with its Joint Ventures and subsidiaries have a capacity of over 65 million m<sup>2</sup> per annum spread across 11 manufacturing plants across the country which is one of the largest in India.

### Cement Division :-

Prism Johnson commenced production at its Unit I in August, 1997 and scaled up capacity with Unit II in December, 2010. It manufactures Portland Pozzolana Cement (PPC) with the brand name 'Champion' and premium quality grade of cement under 'Champion Plus' and 'DURATECH' brand. Prism Johnson has the highest quality standards due to efficient plant operations with modern state of the art automated controls. It caters mainly to markets of Eastern UP, MP and Bihar, with an average lead distance of 395 kms for cement from its plant at Satna, MP. It has a wide marketing network with about 4,250 dealers serviced from ~170 stock points.

This year we will be going to the campus for hiring students of Bachelor in Science (BSc) in CHEMISTRY HONOURS.
