## **A. MESSAGE FROM THE PRINCIPAL**

Welcome to Maulana Azad College, the only multi-faculty, co-educational government general degree college under the University of Calcutta.

Maulana Azad College has succeeded to retain its position among the foremost institutions in eastern India. The college aims to create an intellectual ambience that enhances individual growth and supports academic activities. Over the years, our endeavour has brought us 'A' grade accreditation status from NAAC, status of 'Centre of Potential for Excellence' from UGC, status of 'DBT-STAR College' from MHRD, Govt. Of India, apart from other prestigious financial supports like FIST from DST, Govt. of India, BOOST from DBT, Govt. of West Bengal.

With 20 departments, at present the college offers 20 UG degrees in broad areas ranging from language, social science and sciences to commerce, as well as 3 PG courses in English, Urdu and Zoology.

We follow a transparent admission procedure based on merit. We also adhere to the reservation policy of the Higher Education Department. A number of different scholarship schemes are there to provide support to meritorious students from economically backward families. Our students receive all information and notification on time through the college website as well as through conventional notice boards.

This institution has developed a regular practice of parent-teacher meet, peer-visit, invited lectures, students' seminar, alumni meet etc. Diverse co-curricular cultural activities are passionately pursued by our students, sometimes alongside their teachers, and these practices reflect a cultural harmony that transcends all religious dogmas and celebrates our heritage of unity in diversity.

With its tradition of evolving with the times, I am sure our institution will face up to the challenges of the present global crisis and emerge stronger and more oriented to the needs of a changed social order with active participation of all concerned.

**Dr. Subhasis Dutta**

Principal, Maulana Azad College

Basic Computer Training Course for Minority Girls-WEBEL-MAC initiative

**k. Guardian-Teacher Meet:**

Every year, all Undergraduate and Postgraduate departments of the college organize meetings between teachers and guardians after the Mid-Term exams are over. The guardians are informed through their wards about the meetings. The guardians are informed of the academic developments and general information regarding their wards. These meets are highly beneficial in raising the awareness of parents about their children and providing them general guidelines for the holistic development of their wards.

**J. CO-CURRICULAR ACTIVITIES**

**a. Conferences / Seminars / Invited Lectures:**

The College encourages the Departments to organize seminars, conferences and Invited Lectures on relevant themes during each academic session. The Departments also collaborate with each other to conduct seminars on relevant themes, with the active participation and volunteering of the students. Special students' seminars are also held by different Departments and also form a part of the continuous evaluation of the students' progress and their orientation to research activities.

**b. Awareness Program:**

The College pledges to generate awareness among the students and teachers on contemporary issues. In recent times, the College has organized programs to create awareness on subjects such as health, environment, gender sensitization and cultural harmony. Such programs are often conducted under the aegis of the NSS unit, and in collaboration with NGOs.
