Research Advisory Council [RAC]

The Maulana Azad College, one of premier colleges in Eastern India affiliated to Calcutta University, nurtures a tradition of holistic education and learning amongst its students beyond textbook inculcating the components of innovation, development of research aptitude and social outreach. In recognition of its untiring effort towards this mission, the college was recognised as a Centre for Potential of Excellence by the University Grants Commission in 2010, NAAC accredited 'A' Grade and as a 'STAR College' by the Department of Biotechnology, MHRD, Govt. of India in 2017 to promote and foster student research. Presently, the National Education Policy (NEP-2020) has mandated the inclusion of student research as an integral component of the Higher Education System with a strong emphasis on research, innovation and technology development to strengthen the foundation of 'Atma-Nirbhar Bharat' (Self-reliant India). In accordance with the guidelines of Establishment of Research & Development Cell (RDC) in Higher Education as laid down by the University Grants Commission under the framework of NEP-2020, the Research Advisory Council (RAC) of Maulana Azad College has been constituted.

Vision:

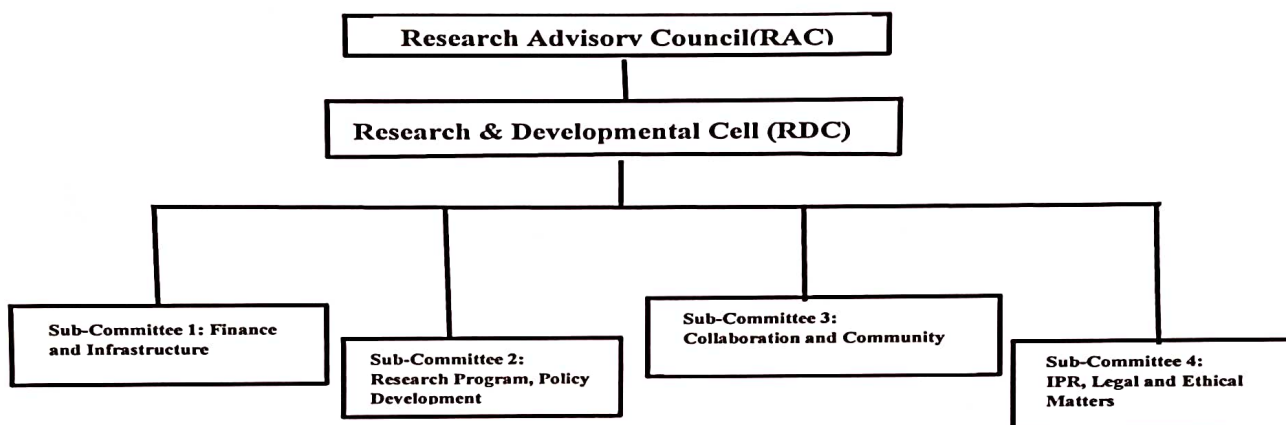

To create a self-reliant student community who can pave the way for achieving unabated excellence in the fields of Science & Technology and Humanities for the benefit of the society.

Mission:

1. To nurture and inculcate research philosophy amongst students
2. To promote innovation and enterprise amongst student community for development of science and humanities with a simultaneous development of awareness regarding Intellectual Property Rights.
3. To promote and augment industry-academia interface for providing a greater exposure and job opportunity to students according to their acquired skillset.

Organogram of RAC
