Report on the Webinar on "How to live a healthy life amidst the Pandemic crisis" held on the 2nd September, 2020

Organized under the auspices of DBT STAR College Programme in collaboration with IQAC, Maulana Azad College

Objective: A good nutritious food habit is integral towards developing a strong immunity and leading a healthy lifestyle. Its importance has undergone an unprecedented increase during the COVID-19 pandemic with many people succumbing during the recovery phase due to lack of adequate nutrition and immunity. The purpose of this webinar was to increase public awareness especially amongst the students' community regarding consumption of nutritious food with the right proportion of proximate and protective principles in order to fight off infectious diseases and also to develop a lean and strong healthy body to thwart the threats of obesity.

Speakers:

1. Dr. Shalini Sehgal

"Food safety in times of COVID 19" Associate Professor Department of Food Technology, Bhaskaracharya College of Applied Sciences, University of Delhi

2. Dr. Susmita Das

"Healthy Well Being: the weapon to win the COVID battle"
MBBS, MS (Obs & Gynae) Diplomat of National Board Visiting Consultant at Bellevue
Clinic, Kolkata Sri Aurobindo Seva Kendra, Kolkata

Number of participants: 265 from various academic institutions across West Bengal and also from New Delhi.

Platform: Google meet. The recording of the event is available in the Youtube channel of the college to reach out to a wider audience. **Link:** www.youtube.com/watch?v=kMeXZHL2oNw

Report on the Webinar on "Regulations and safety measures in Food Industry" held on the 18th September, 2020

Organized by Departments of Zoology and Microbiology under the auspices of DBT STAR College Programme in collaboration with IQAC, Maulana Azad College

Objective: Quality control is of paramount importance in Food industry both to ensure safety of the manufactured product as well as to preserve the nutritional value of the food. In addition, the quality of water used in the food industry is also a critical determinant of the final value of the food. This event was organized to hear about the different regulations and quality control procedures directly from the industry personnel as well as from an expert in this domain from the academia.

Speakers:

- 1. Dr. Paramita Bhattacharjee Associate Professor, Department of Food Technology and Biochemical Engineering Jadavpur University, Kolkata Topic: "Safety evaluations, risk assessment and regulations of chemicals in food"
- 2. Anirvan Sen Food Systems Assessor British Standards Institution, UK Topic: "Food Safety – an Industry view point during Pandemic"
- 3. Dr. Neeloy Samaddar Manager- Operations & Quality, Ncourage Social Enterprise Foundation, Tata Chemicals Ltd. Topic: "Food and Drinking water quality adherence-an Industrial perspective"

Number of participants: 135 from various academic institutions especially colleges and universities across West Bengal.

Platform: Google meet.

Report on the Webinar on "Emerging Health Management with special reference to Covid-19 & Snake -bite In India" held on the 21st November, 2020

Organized by IQAC, Maulana Azad College in collaboration with

Dr. Sitesh Chandra Lahiri Memorial foundation

Objective: This online event was organized by in memory of Late Dr. Sites Chandra Lahiri, the ex-Director of Health Services, West Bengal between 1984 and 1986. He was one of the very few renowned doctors of West Bengal with a keen research interest on venoms and toxins. The Dr. Sitesh Chandra Lahiri Memorial was founded by his Ph.D. students in the year 2011.

Speakers:

1. Dr. Amitava Nandi

Ex-Professor, Calcutta School of Tropical Medicine, Kolkata

Former Consultant, WHO

Topic: Clinical management of COVID-19 and personal protection:

Layman's perspective

2. Dr Dibakar Chakrabarty

Professor of Biological Sciences, BITS-Pilani, K.K. Birla Goa Campus

Topic: Venoms: Friends or Foes

3. Dr. Manas Mandal Fulbright Specialist

Associate Professor Roseman University of Health Sciences, College of Pharmacy, USA

Topic: COVID-19, where are we now?

Number of participants: 43 from various academic institutions across West Bengal and Goa.

Platform: Google meet.

Reg of Woolege

Report on "Webinar on Role of Indigenous Traditional Knowledge and Herbal Drugs in combating against Pandemic COVID-19"

Organized by Department of Botany & IQAC, Maulana Azad College in collaboration with Cascabael Institute of Training & Development, Allahabad & CSIR-NISCAIR

Objective: Many indigenous cultures have a long history of using medicinal plants and traditional remedies to treat various ailments. These practices have been passed down through generations and often include knowledge about herbs with antiviral, anti-inflammatory, and immunomodulatory properties. Indigenous herbal remedies have been explored as potential treatments for COVID-19. Researchers have been investigating the antiviral properties of various plants used in traditional medicine, aiming to identify compounds that could inhibit the replication of the SARS-CoV-2 virus or alleviate symptoms associated with the disease. This approach may develop supportive therapies based on indigenous traditional knowledge to complement standard medical interventions for COVID-19 patients, such as antiviral drugs and vaccines, by providing relief from symptoms and boosting the immune system.

Date: 11th September, 2020

Duration: 16:00 to 18:30 hrs.

Speaker/instructor:

- 1. Traditional Knowledge: Road Ahead.... by Dr. Tapan K Mukherjee, Former Chief Scientist & Editor, Indian Journal of Traditional Knowledge CSIR-NISCAIR, New Delhi.
- 2. Identity Crisis in Indian System of Herbal Medicine with Special Reference to COVID-19 by Dr. Ramesh C. Srivastava, FLS, FBS, FAPT; Former Joint Director, Botanical Survey of India, MOEF & CC, New Delhi Presently Honorary Director, Cascabael Institute of Training & Development, Allahabad.

Number of Participants: 358 participants including students, faculty members and scientists from various educational and research institutes have joined the programme.

Outcome: Incorporating indigenous traditional knowledge into pandemic response efforts recognizes the cultural relevance and importance of these practices. It also promotes greater equity and inclusion in healthcare, ensuring that the diverse perspectives and expertise of indigenous communities are valued and utilized in the fight against COVID-19.

Platform: Google Meet.

Report on "Webinar on Herbs for healthcare - Exploring ethnopharmacology for better therapeutics"

Organized by Department of Botany & IQAC, Maulana Azad College in collaboration with Institute of Bioresources and Sustainable Development (IBSD), Imphal: An autonomous Institute under Department of Biotechnology, Ministry of Science and Technology, Govt. of India

Objective: "Herbs for healthcare: Exploring ethnopharmacology for better therapeutics" is a topic that delves into the study of traditional medicinal practices of various cultures and their potential applications in modern healthcare. Ethnopharmacology is the scientific discipline that investigates the traditional knowledge and usage of medicinal plants by different ethnic groups. This field explores the medicinal properties of herbs, plants, and other natural substances that have been historically used for healing purposes. By understanding the traditional uses of these natural remedies, researchers aim to identify potential therapeutic compounds and develop new drugs or treatments for various health conditions.

Ethnopharmacological research often involves interdisciplinary approaches, combining elements of botany, anthropology, pharmacology, and chemistry. Researchers collect data on traditional medicinal practices, conduct laboratory experiments to isolate active compounds, and evaluate their pharmacological effects through preclinical and clinical studies.

Date: 12th September, 2020

Duration: 15:30 to 16:30 hrs.

Speaker/instructor: Prof. Pulok Kumar Mukherjee, PhD, FWAST, FRSC, FNASc Director, Institute of Bioresources and Sustainable Development (IBSD), Imphal

Number of Participants: 125 participants including students, faculty members and scientists from various educational and research institutes have joined the programme.

Outcome: The goal of exploring ethnopharmacology for better therapeutics is to uncover novel treatments, enhance healthcare options, and potentially alleviate health disparities by incorporating traditional knowledge into modern medicine. This approach may lead to the development of safer, more effective, and culturally sensitive healthcare solutions.

Platform: Google Meet.

Principal

Maulana Azad College

The detailed report of the programme is available as:

Report on "One Day Webinar on Students' Wellness amidst Covid Pandemic" held on 4th July, 2021

Organized by IQAC, Maulana Azad College

Objective: Covid left the entire world in a bizarre socio-cultural position. In the present scenario, the objective of organizing a wellness programme is primarily is to augment the mental and physical boosting of the stakeholders. In unison the said programme aimed to spread awareness on the need of psychosomatic fitness and the usefulness of it in daily chores. The college invited Mrinmay Maharaj, Department of Yoga, Ramakrishna Mission Vivekananda University, Belur Math, Howrah, Prof. Pubali Dhar, Department of Nutrition, Dean, Faculty of Fine Arts and Home Science, University of Calcutta and Dr. Rajyasri Roy, Principal, Kanyashree College, Kolkata to give a better understanding of the scenario and its possible remedies and also to train for improved presentations which are not only academic but also life-encompassing. A large number of students participated in the event. Most of the students were enthusiastic for the camp and it left all wanting more.

Speaker/Instructor:

- 1. Mrinmay Maharaj, Department of Yoga, Ramakrishna Mission Vivekananda University, Belur Math, Howrah
- 2. Prof. Pubali Dhar, Department of Nutrition, Dean, Faculty of Fine Arts and Home Science, University of Calcutta
- 3. Dr. Rajyasri Roy, Principal, Kanyashree College, Kolkata

Number of Participants: 238 students from various academic and social background participated in the event.

Outcome: The programme aimed at increasing the spirit of students, both mentally and physically. A general ambience of depression and inactiveness has overcome the whole period. To get rid of the undesirable drives from both the mind and the body, especially of the students and all the stakeholders of the college in general, the webinar played an important role. It helped to boost the overall work environment.

Platform: Google Meet

Principal

Maulana Azad College

The detailed report of the programme is available as:

Maulana Azad College, Kolkata

Internal Quality Assurance Cell

Organizes

Webinar on Student Wellness amidst COVID pandemic

4th July, 2021, 2:30 P.M. onwards

Sub: Awareness on intellectual property (IP) under

"National Intellectual Property Awareness Mission (NIPAM)" organized by DPIIT, Ministry of Commerce & Industry, Govt. of India – Reg.

Sir / Madam.

Our Nation is commemorating the 75th Anniversary of India's Independence and on this occasion a campaign 'Azadi ka Amrit Mahotsav' is being observed by the Government of India. Under this campaign, all Departments and Ministries are hosting various activities for 'AatmaNirbhar Bharat'.

Recently, The Department of Promotion of Industry & Internal Trade under Ministry of Commerce & Industry(DPIIT) has launched the "National Intellectual Property Awareness Mission (NIPAM)", under which a special drive has been initiated to impart awareness on different aspects of Intellectual Property (IP) to students/ participants across the nation.

As a part of the said campaign, The expert resource persons from our Office would be assigned for an online session to create awareness among the students in your department/institution. After successful completion of the said session, a certificate in the name of participant as well as institution shall be issued by the competent authority.

A line of confirmation for allowing the said programme to be conducted in your institution is kindly solicited.

With Warm Regards,

(Dr. Sukanya Chattopadhyay)

Yours sincerely,

Deputy Controller of Patents & Designs & Head of Office

& Sr. Team Leader - NIPAM

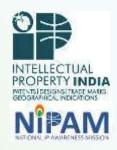

DR. SUKANYA CHATTOPADHYAY
Dy. Controller of Patents & Designs
And Head of Office
The Patent Office, Govt. of India

Registration is free and e-Certificates will be provided to all participants

Government of India Ministry of Commerce and Industry Department for Promotion of Industry and Internal Trade Office of the Controller General of Patents, Designs and Trade Marks

CERTIFICATE OF APPRECIATION

Presented to

MAULANA AZAD COLLEGE

In recognition of active participation in the National Intellectual Property Awareness Mission (NIPAM) launched by the Government of India on the occasion of the 75th anniversary of independence under the banner "Azadi Ka Amrit Mahotsav" to create widespread awareness on Intellectual Property Rights (IPR). The exceptional contribution in successfully organizing the awareness programme on May 25, 2022 in association with Intellectual Property Office, Kolkata by providing your valuable time and support is highly appreciated.

Solicit your continued support for outreach of IPR far and wide.

Date:June 01, 2022

Report on "One Day Webinar on Personality on Personality Development with Yoga" held on 28th May, 2022

Organized by IQAC, Maulana Azad College

Objective: In a post-Covid scenario, the objective of organizing a Yoga Development camp is primarily to enhance the mental and physical well being. At the same time the camp aimed to spread awareness on physical fitness and the utility of the same. The college invited Mrinmay Maharaj, Department of Yoga, Ramakrishna Mission Vivekananda University, Belur Math, Howrah to give insight and train for better performances which are not only academic but also life-building. A large number of students participated in the event. Most of the students were enthusiastic for the camp and it left all wanting more.

Speaker/Instructor: Mrinmay Maharaj, Department of Yoga, Ramakrishna Mission Vivekananda University, Belur Math, Howrah

Number of Participants: 178 students from various academic and social background participated in the event.

Outcome: The programme was targeted to enhance the spirit of students, both mentally and physically. During the Covid period a general ambience of depression and passivity prevailed. To get rid of the negative energies from both the mind and the body, especially of the students and all the stakeholders of the college in general, the webinar played an important role.

Platform: Google Meet.

Report on Tejashwini: Self defence workshop for women

Organised by Kolkata Police

Objective: Kolkata Police with a view to eradicate and minimize the possibility of commencing offence against women has conceived a unique programme for the women of any age styled as 'TEJASHWINI'. The basic objective of this project is to build confidence amongst the women by means of imparting a crash course of self defence training so that women could be made capable of defending themselves and countered any sort of ordeal.

Women safety has always been one of the top priorities of any law-enforcing agency. Law enforcement agencies all over the world are taking problem of offence against women very seriously as offence against women is universal. Be it within the confines of home or in the public sphere, offence against women has been observed, documented and tolerated by societies all across the globe.

Mode of training: A specially designed 10(Ten) days course for 02 (Two) hours for women of the city in order to train them rudimentary level of Un-Armed-Combat techniques to deal with any awkward situation effectively.

Venue: Santosh Mitra Square, Kolkata

Duration: 11/03/2022 to 22/03/2022

No. of participants: Five (05) girl students from Maulana Azad College

Outcome: The participants have learnt techniques of Stance and Balance; Strikes like Jab, Uppercut, Hook; Blocks & Parries; Wrist escapes; Single & Double leg takedown etc for their self defence. The training happened to be extremely helpful for the girls.

Principal Maulana Azad College
