

Overview of Sustainable Practices

Sustainable Practice-1: Encouraging student linkage with industry/institute and providing research exposure for higher studies

Maulana Azad College is dedicated to academic excellence and aims to:

- Providing industry exposure through educational tours and field trips.
- Organizing seminars, symposia, and workshops on the latest research trends.
- Supporting attendance at events in other institutions.
- Offering career guidance and ideas for further studies and research.
- Fostering a strong academic environment.

Sustainable Practice-2: Empowering Classroom: The Impact of Cognitive Strategies on Effective Teaching

- The College uses cognitive techniques in lesson plans to enhance student understanding and retention, improving learning outcomes.
- Key techniques used by the teachers include metacognition, elaboration, visualization, group discussions, self-study, and feedback.
- These are delivered through chalk and talk, ICT (PPT, smartboards), and online platforms.
- Thereby foster a more inclusive and effective learning environment.

Sustainable Practice-3: Offering incentives to talented students and financial aid to needy students

Maulana Azad College supports student welfare beyond academics by:

- Incentivizing talented students in academics and activities.
- Providing monetary aid to underprivileged students, especially post-COVID-19.
- Ensuring financial support for needy students to continue their studies.

These needs are met through scholarships and freeships from various sources, including government, nongovernment organizations, industry, philanthropists, the institution, and alumni.

Sustainable Practice-4: Nurturing an Environment-Friendly Green Campus

Maulana Azad College promotes green campus by:

- Implementing clean, eco-friendly policies and activities.
- Using power-efficient gadgets to lower the carbon footprint.
- Emphasizing renewable energy sources.
- Cultivating eco-friendly habits among students and staff.
- Endorsing environmental awareness through campaigns.
- Adhering to central and state government sustainability guidelines.

Sustainable Practice-5: Constitutional Awareness and Youth Parliament Participation

- Youth Parliament Competition gave students practical experience in parliamentary procedures and deepened their understanding of democracy.
- Challenges from the Youth Parliament and quiz competitions improved critical thinking, public speaking, and research skills.
- College involvement increased student engagement in political and academic activities, promoting proactive citizenship.
- The College students achieved notable successes in the West Bengal Youth Parliament Competition Scheme and related quiz competitions

Sustainable Practice: Encouraging student linkage with industry/institute and providing research exposure for higher studies and career options

Sustainable Practice: Encouraging student linkage with industry/institute and providing research exposure for higher studies and career options

Maulana Azad College is dedicated to the academic excellence of students. Its intended outcome is to:

- Provide industry/institute exposure to students right from the college level through educational tours/ excursions/ field-trips so that they have first-hand experience of the practical aspects of the subject.
- Make students aware of the latest trends in the world of research by regularly organising seminars/ symposia/ conferences/ workshops.
- Encourage students to attend similar events at other institutions and accompany them whenever required.
- Offer students career options and/or ideas for further studies and research, thereby giving them a headstart at an early stage.
- Creating a sound academic environment in the college in the best interest of the students.

If we consider this in the context of Indian Higher Education, we find that education nowadays places a lot of emphasis on co-curricular and extra-curricular activities in addition to the prescribed syllabus. Its importance is gauged from the fact that the National Education Policy 2020 (NEP 2020) too has included hands-on learning in the form of 'Internship' for all students. This is because acquiring real-life experience can supplement the theoretical knowledge gained by students in the classroom. In view of the ever-increasing competition, be it in the arena of higher studies or jobs, the interface between academia and industry/institute has assumed paramount importance. The terms 'industry' and 'institute' have been used here in a broader sense to include all types of public and private concerns, viz. companies, factories, workshops, institutes and organisations, and other places of academic interest.

The college has been playing the role of such a catalyst for long, with the active involvement of the head of the institution, departmental teachers and IQAC through the following ways:

- Offering students exposure to latest trends in research by organising national and international seminars / symposia / conferences / workshops where reputed scholars are invited as resource persons; during the period 2018-23, Maulana Azad College has conducted close to seventy such events.
- Majority of the departments arrange educational tours to places near and far, ranging from those in and around the city of Kolkata to distant venues like Darjeeling and Dooars in north Bengal and even outside the state of West Bengal, viz. Panch in Madhya Pradesh. Some of these visits are part of the curriculum of different subjects, namely Botany, History, Microbiology, Sociology and Zoology.
- Along with the above, many other departments like Bengali, Chemistry, Economics, English, Islamic History and Culture, Philosophy, Physics and Political Science have also taken the initiative to organise educational tours on their own, irrespective of the fact that such excursions are not a compulsory part of their syllabi as mandated by the affiliating university - a noteworthy feat indeed.
- Teachers regularly encourage students to participate in events conducted by other institutions, be it local, state or national-level. They inform them about these events in the classroom as well as via social media platforms like WhatsApp groups and departmental pages on Facebook.
- Language departments like English, Persian and Urdu encourage their students to participate in programmes organised by reputed organisations like Goethe-Institut Kolkata, United States-India Educational Foundation (USIEF), Iran Society, Muslim Institute, West Bengal Urdu Academy, etc.

- Regular mentoring is carried out by teachers so that students are motivated to attend these programmes. Very often, teachers accompany the participating students to the venue for moral support and/or on-the-spot advice. While such field-trips are more common in the Science Departments, the Arts departments also conduct educational tours for experiential learning. These visits add substantially to conventional classroom studies and equip students with confidence to perform in real-life situations.
- Some teachers of the college are also supervisors for Ph.D. programmes, inspiring their students to take up research at a subsequent stage.
- Teachers of the college thus act as intermediaries and facilitate interaction between students and industry/institute through multiple channels, leading to a holistic cultivation of knowledge. Their involvement in guiding students in deciding their future career goals is thereby of paramount importance.

These initiatives on the part of the various departments have borne fruit, evinced in the academic performance of students in their University examinations and their subsequent progression.

- Close to 1100 students have progressed to higher education, be it post-graduate or professional courses from 2018-2023. It is also heartening to note that around 250 students have cracked competitive exams like CUET PG, JAM, GATE, IELTS, UGC-NET, CSIR-NET, etc. during this period.
- The placement of students in public or private sectors presents a satisfactory picture, considering the challenges in getting employment in current times, and almost 200 of them have been offered jobs in the course of this period.
- Around 120 students have benefitted from guidance for cracking competitive exams and a similar number have been given career counselling by their respective departments through formal counselling sessions. This is in addition to tips provided by the faculty members in an informal manner.
- More than 200 students have benefitted from counselling offered by their departmental teachers. Owing to the above, Maulana Azad College consistently figures as a sought-after destination for students at the time of admission. It was placed at the 26th place in the country and 4th spot in West Bengal in the EW India Higher Education Ranking 2020, a nation-wide survey of best non-autonomous colleges conducted by Education World magazine in its report published in April 2020. The next year, the college improved its showing and was placed 19th in the country and 3rd in the state in the same survey published in May 2021.

However, a few problems were encountered while implementing this practice. The above-mentioned initiatives are usually taken by the teachers on their own under the aegis of the respective Heads of Department. Since there is no specific fund allotted for educational tours, teachers have to arrange for the expenditure (travel, registration, etc.) incurred in the course of these industry / institute visits either from the departmental contingency fund or raise the money through contributions from teachers and students. At times, it becomes a problem to raise adequate funds for such visits, as a result of which they cannot always be held frequently. The Covid-19 Pandemic had affected the regularity of such visits, though most of the Departments have tried to revive the practice in the 2022-23 session. A designated fund allocated for educational tours and organising seminars/ symposia/ conferences/ workshops would definitely prove to be helpful in resolving this financial issue.

- The Department of Economics arranged a field trip to Purulia during the period 31st January to 3rd February 2019. The team undertook a socio-economic survey in an Adivasi village where the students interacted with the residents and collected some primary data on literacy and education, health and rural infrastructure – like water supply, sanitation and health – in order to understand the state of development in the village and assess the efficacy of different welfare schemes of the government.

- The Department of Economics arranged a field trip to Sinji in Kalimpong from 31st January to 4th February 2020. The students were involved in a door-to-door survey in Sinji and tried to gather socio-economic data of the local population, the livelihood patterns, role of the village panchayat in the developmental activities, etc.

- The Department of English prides on the success story of Rohan Dutta, a student of English Honours and English M.A. at Maulana Azad College. He had been nominated to visit an exhibition on 'Kafka in Virtual Reality' organised by Goethe Institut Kolkata in September 2019. Rohan, then a PG3 student, wrote an article on this topic which got selected for a well-known online magazine. It marked his foray into journalism, and after his post-graduation he joined Scroll.in, an online news portal, as a journalist. Currently he is working as an editor with Rupa, a nationally renowned publishing house. The details of his journey to success are given below:

A Virtual Reality workshop was organised in collaboration with the Goethe Institute Kolkata, on writer Franz Kafka, supervised by artist Mika Johnson from 5 to 10 September 2019. Three students from

National Level Webinar organized by Dept. of Mathematics	91	12.09.2021 to 12.09.2021
Webinar Session with Professor Abhijit V. Banerjee to commemorate the Birth Centenary of Professor Kenneth Arrow and death Centenary of Professor Carl Menger	55	8.09.2021 to 8.09.2021
One day International Webinar on Aristotle's Happy Polis organized by Department of Philosophy and IQAC, Maulana Azad College	654	25.08.2021 to 25.08.2021
Webinar on "sahityer binodon, binodoner sahityo" organized by Dept. of Bengali and IQAC on 12th July, 2021	101	21.07.2021 to 21.07.2021
MAC MATH FEST 2021 organized by Dept. of Mathematics	140	12.07.2021
How to Read Scientific Literature & Introduction to Manav - The Human Atlas Initiative organized in collaboration with IISER-Pune	101	26.06.2021 to 27.06.2021
Celebration of National Science Day , 2021	279	21.04.2021 to 21.04.2021
Dr. Sitesh Chandra Lahiri Memorial Foundation Lecture "Emerging Health Management with special reference to Covid-19 & Snake -bite In India" organized by IQAC in collaboration with SCL Memorial foundation	152	28.02.2021 to 28.02.2021
One day International Webinar on Discourses of Development organized by Dept. of Sociology in collaboration with IQAC	43	21.11.2020 to 21.11.2020
Two day National Level Webinar on Mathematics and its recent trends	127	19.10.2020 to 19.10.2020
Webinar on "Archives and Museums in India" Organized by Department of History in collaboration with IQAC	166	28.09.2020 to 29.09.2020
Two-day National Webinar on Selected topics on DSE Physics course under CBCS, CU	99	24.09.2020 to 24.09.2020
Zaban o Adabiyat e Farsi organized by Dept. of Persian in collaboration with IQAC	75	23.09.2020 to 24.09.2020
Regulations and safety measures in Food Industry organized by Microbiology and Zoology in collaboration with IQAC, DBT STAR College programme	158	21.09.2020 to 21.09.2020
Webinar on Tally with GST organized by Dept. of Commerce and IQAC in collaboration with Computex	135	18.09.2020 to 18.09.2020
One-day national webinar on “Herbs For healthcare-exploring ethnopharmacology for better Therapeutics”	79	31.08.2020 and 5.09.2020
	158	12.09.2020 to 12.09.2020

Name of the workshop/ seminar/ conference	Number of Student Participants	Date From – To
One-day national webinar on “role of indigenous traditional knowledge and herbal drugs in combating against pandemic covid-19”	358	11.09.2020 to 11.09.2020
Webinar on " How to live a healthy life amidst the Pandemic crisis" organised by DBT STAR College scheme in collaboration with IQAC	265	2.09.2020 to 2.09.2020
Two Day State Level Webinar on Skill Enhancement Course (SEC) Topics of UG Chemistry (Hons.) CBCS Syllabus of the University of Calcutta in collaboration with Ashutosh College, Kolkata and BOS-CU	179	24.08.2020 to 25.08.2020
3 day National level e workshop organized by Physics, Microbiology and Zoology	121	10.08.2020 to 12.08.2020
Four Day National Level Webinar on DSE Topics of UG Chemistry (Hons.) CBCS Syllabus of the University of Calcutta in collaboration with Ashutosh College, Kolkata and BOS-CU	314	4.08.2020 to 07.08.2020
National webinar on COVID-19 Economic Crisis organized by the Dept. of Economics	430	31.07.2020 to 31.07.2020
Intellectual Property Rights seminar	56	26.11.2019 to 26.11.2019
Pedagogic traditions and innovations of classical Hindustani music	75	28.02.2020 to 28.02.2020
New Curriculum in English Studies: Emerging Trends and Challenges	74	05.03.2020 to 05.03.2020
Emerging Issues in Economics and Commerce	118	4.03.2020 to 4.03.2020
Science Day celebration	250	28.02.2020 to 28.02.2020
National Science Day celebration organized by Dept. of Physics	28	28.02.2020 to 28.02.2020
Ethical Foundation of Gandhian Philosophy	68	26.02.2020 to 26.02.2020
One day Seminar on Python Language organized by Dept. of Physics, under DBT STAR College programme series	44	24.02.2020 to 24.02.2020
One-day Science popularization program on “Concept and Advances of Modern Biology and Biotechnology”	150	13.02.2020 to 13.02.2020
Special lecture of IHC Dept	37	01.02.2020 to 01.02.2020
DBT STAR College Seminar organized by Dept. of Physics	163	06.12.2019 to 06.12.2019, 13.12.2019 to 13.12.2019
Python Programming in Scientific Computation-An Introduction organized by Dept. of Physics	48	26.09.2019 to 26.09.2019
Bangdesher sahityo : Prokashona o notun projonmo	64	21.11.2019 to 21.11.2019
Seminar to commemorate birth Centenary of Prof. Dhires Bhattacharya	114	21.09.2019 to 21.09.2019
DBT STAR College Sponsored One Day Seminar on "Frontiers in Biomedical Research"organized by Dept. of Microbiology	101	28.08.2019 to 28.08.2019
Indian Philosopher's Day	134	06.08.2019 to 06.08.2019

Name of the workshop/ seminar/ conference	Number of Student Participants	Date From – To
Extension lecture on "Extension Lecture on " Barqi Zarae Iblagh " organized by Dept of Urdu	59	24.07.2019 to 24.07.2019
Urdu Tanquid : Aaghaz Ta Haal	213	29.03.2019 to 29.03.2019
National Science Day celebration organized by Dept. of Physics	52	28.02.2019 to 28.02.2019
One day lecture series "Shedding light on Biomolecular structures" organized by Department of Microbiology	47	12.02.2019 to 12.02.2019
International Lecture Series on Chemistry & Students' Speech on 'Essence of Biology in Chemical Field' in association with Indian Chemical Society	73	07.01.2019 to 7.01.2019
Fulbright fellowship	85	30.01.2019 to 30.01.2019
DBT Sponsored Invited Lecture Series/Hands-on-Training Programme (Interdisciplinary)	52	20.09.2018, 27.09.2018,28.09.2018
DBT STAR college sponsored day popular science lecture on " Breathing of Biological macromolecules" and Students' Seminar competition	23	1.09.2018 to 1.09.2018
Workshop on Assessment of Market Probiotics	21	16.08.18 to16.08.18
DBT STAR College sponsored one "Meet your peer"programme by Dr. Saugata Hazra, Assistant Professor, Dept. of Biotechnology, IIT-Roorkee, modulating "öm"with "öomics, a novel approach to combat drug resistant Beta lactamase	62	4.08.2018 to 4.08.2018
DBT Sponsored Seminar/Lecture Series on 'Biological Tune in Chemical Flute'	43	27.07.2018 to 27.07.2018
A scientific talk on ' Conservation strategy of fishing cat'	38	17.07.2018 to 17.07.2018
A scientific talk on " Tales of a swamp and peacock tails"	31	12.06.2018 to 12.06.2018

Sustainable Practice: Offering incentives to talented students and financial aid to needy students

Maulana Azad College is devoted to the cause of student welfare beyond the classroom. Apart from academic initiatives, the college also provides financial resources to deserving and needy students. Its aim is to:

- Offer incentive to talented students who excel in academics as well as co-curricular and extra-curricular activities, thus motivating them for further success in future studies and career.
- Provide monetary assistance to students, particularly those belonging to underprivileged social and economic sections, thereby proffering them a sense of security and assurance. This has become all the more important in the aftermath of the Covid-19 Pandemic which had adversely affected the pecuniary condition of many a family.
- Extend all possible co-operation to needy students so that they are able to continue their studies without any constraint, be it financial or otherwise.

If we consider this in the context of higher educational institutions in the city, we find that Maulana Azad College, being a government college, charges nominal tuition and hostel fees. Even so, students from underprivileged backgrounds and economically challenged families were often found to be in need of assurance and financial assistance. The college took measures in this direction to meet their requirements through various private and government scholarships and freeships, as well as the Student Aid Fund. The financial situation of many students had declined during the Covid-19 Pandemic, and the college took prompt initiatives to provide relief to such students from affected families, thereby preventing these pupils from discontinuing their studies. Alongside, it must be remembered that meritorious students from all sections require continual encouragement and incentive, and the college earnestly tries to provide that. Earlier, the Alumni Association of the college used to organise prize distribution ceremonies every year where toppers from all subjects were felicitated. In recent times, the college has been organising such programmes where rank-holders and achievers are duly awarded.

The college has constantly tried to aid and incentive to students through the following means:

- The College authority issued notices for talent-search whereby the departments were asked to recommend names of students with potential in academics as also co-curricular and extra-curricular activities.
- Toppers in all the subjects (both UG and PG batches) are incentivised either in cash or kind. The names of students scoring highest marks in the University examination are sought from all the departments. The Student Support Cell of the college organises a programme to distribute prizes in the form of books, certificates, and trophies. The practice was repeated in 2023 too, where the winners were given cheques of Rs 1000/- each, as also certificates, trophies and pens.
- Similarly, student achievers who had been selected to prestigious universities and institutes for further studies were given Rs 5000/- each in 2023. Meritorious students are thus given adequate attention and their accomplishments recognised.
- The college has been diligently processing all types of government and private scholarships over many years. When the Covid-19 Pandemic struck in 2020, it dealt an adverse impact on regular life. Amid this crisis, the College authority issued a notice, when the college campus was

closed due to the Lockdown, informing that financially weak and needy students would be provided assistance by the college so that their studies are not hampered.

- Such students were required to send an application to their respective Heads of Departments through email with adequate supporting documents. The Head of the Department, in turn, forwarded these emails to the college Principal for necessary action.
- The Student Support Cell of the college received these applications and held meetings (some of them in online mode) to deliberate on the course of action. Based on their recommendations, the college office started the formalities of transferring grants of Rs Two Thousand and Five Hundred each to sixty students through bank transfer.
- In the academic session 2022-23, four students of Sociology Department who could not afford the full amount of Rs 8000/- required for their compulsory Field Study applied to the College authority for financial aid. The Head of the Department of Sociology forwarded their applications, and following the recommendation of the Student Support Cell, these four students received around 45% of the trip expenditure from the Student Aid Fund via bank transfer.
- Four students of the History Department who were facing economic hardship similarly applied to the College authority for financial assistance. The Head of the Department of History forwarded their applications, and following the same procedure of recommendation by the Student Support Cell, the college office issued cheques of Rs One Thousand each to these students.

The success of this initiative is evident from the fact that Maulana Azad College has facilitated monetary aids, scholarships, full and half-freeships more than ten thousand during the years 2018-23, and students from all categories have benefitted from these. The auditing team from Principal Accountant General (A & E), West Bengal, had conducted a government audit from 26th September to 30th September 2023. The team in its report praised Maulana Azad College for 'promoting inclusiveness in higher studies with financial support to fellow students in all disciplines'. Such words of commendation have encouraged the college to continue this practice in the upcoming years too. Students showing promise are given proper encouragement so that they may nurture their myriad talents. It has been decided that toppers from all subjects would be awarded prizes on 5th September every year, the day also celebrated as Teachers' Day across India. Similarly, outstanding achievers would be felicitated during the Induction Day when newly-admitted students come to the college for the first time to attend their Orientation Programme, thereby providing them inspiration to excel like their seniors.

While carrying out this exercise, a few problems were faced. Students nowadays get the benefit of various government and private scholarships, viz. Kanyashree, Aikyashree, Swami Vivekananda Merit-cum-Means Scholarship, Oasis Scholarship, Jindal Scholarship, etc. However, since the economic situation of many families has deteriorated, particularly in the wake of the Pandemic, the amount received from one scholarship is not always sufficient to meet the diverse needs of students, leading to a steady increase in the number of applicants. This has caused great anxiety to the Student Support Cell as their members are forced to make difficult decisions in selecting candidates for financial help. The corpus of the Student Aid Fund being rather limited, not all those students who had applied for assistance could be provided with the necessary grants. Being a government educational institution, the college cannot arbitrarily hike fees to expand its financial corpus. It was realised that a larger corpus of funds was required to meet all such pleas of needy students.

GOVERNMENT OF WEST BENGAL

Office of the Principal
Maulana Azad College

Phone: 033 2249-3737/2226-7814 e-mail: maulanaazadcollegekolkata@gmail.com
Website: <https://maulanaazadcollegekolkata.ac.in>

To further encourage this initiative of offering aid and incentives, funds from public and private concerns including Industry and Business Houses in the form of Corporate Social Responsibility (CSR) as well as Alumni Association and similar organisations may be created. This can enable the college to directly extend financial assistance to needy students in a speedy and convenient manner.

A. FINANCIAL ASSISTANCE TO STUDENTS DURING COVID-19 PANDEMIC

- Applications from students of different departments for financial assistance during the Pandemic

To
The Convener,
Students Support Cell,
Maulana Azad College,
Kolkata.

Sir / Madam

I am to inform you that following
Students are recommended by the department
of Bengali for financial assistance.

1. Sudeshna Munda, 2nd Sem, Reg. No - 146-1213-00147-20,
amount recommended - Rs. 2500/-
2. Ramen Mandal, 2nd Sem, Reg. No - 146-1112-0048-20,
amount recommended - Rs. 2500/-

Dated at:
18.6.21.
Kolkata.

Aspen Chakraborty -
Head of the Department
Dept. of Bengali
Maulana Azad College.

To
The Principal,
Maulana Azad College,

Sub.: Financial Assistance to the Students

Sir,

Kindly recall the Excel File submitted earlier to the Students Support Cell in connection with the above mentioned subject along with the recommendation and notes of the under signed.

Following the communication received from the Students' Support Cell of the college office, I do hereby furnish below the revised list because of the resource constraint:

Sl.	Name of the Applicant	Semester & Roll No.	Amount Recommended	Remarks
1	SANDIP PAL	VI; 91	Rs.2500/-	Special
2	SURAJIT PAL	VI; 88	Rs.2500/-	Special
3	RUPANJAN DAS	IV; 31353	Rs.2500/-	Special
4	ABHISIKHA HALDAR	IV; 31004	Rs.2500/-	Special
5	ANKITA SINHA	IV; 803	Rs.2500/-	Special

The earlier submission contains the justification behind the recommendation with respect to the assistance to be disbursed.

Thanking you,

Yours sincerely,

Santanu Ghosh

Sub: Recommendation regarding Financial help

Sir,

In response to the prayer of Smt. Samraggi Chakraborty a student of UG Zoology Semester II regarding financial assistance, I would like to recommend an amount of Rs 2500/- in favour of her so that she will utilize that amount towards her internet connectivity purpose.

Hope you would kindly do the needful and oblige

Thanking you

Yours faithfully

Dr. Subir Chandra Dasgupta
Professor & head
Department of zoology

● **Financial aid to needy students of Sociology Department for undertaking study trip:-**

Four students from the Sociology Department (named Arunita Dhar, Rusa Mondal, Sanjay Debsharma and Priti Naskar) who could not afford to pay the cost of excursion to Darjeeling (required for their Field-Study Dissertation in Honours 6th Semester) had similarly applied to the college for financial help. Their applications were duly forwarded by the Head of Sociology Department, and sent to the Student Support Cell of the college. They received an amount of Rs 3500/- (Rupees Three Thousand and Five Hundred only) each from the college which was directly transferred to their bank accounts.

Subject: Prayer for Financial Grant

Respected Sir,

We, the following students of the **Department of Sociology, Batch 2020 (SEMESTER – VI)** are requesting you for financial grant regarding our final semester **FIELD STUDY-DISSERTATION (F.M: 100) at Darjeeling**. It is becoming a bit inconvenient for us to bear the stipulated amount for this purpose.

We would be highly obliged if you aid us with your financial assistance so that we can put forward this above mentioned cause.

MAULANA AZAD COLLEGE
DEPARTMENT OF SOCIOLOGY
8, RAFI AHMED KIDWAI ROAD, KOL - 13

DATED the KOLKATA 22/03/2023

REF.NO. 01/SEM -6(Field Study/2023)

From: The Head of the Department,
Department of Sociology
Maulana Azad College,
Kolkata -13.

To, The Principal,
Maulana Azad College,
Kolkata -13.

Sub.: Appeal for consideration of four Students' [SEM - 6] prayer towards financial support.

Sir,

This is for your kind information that SEM -6, Sociology (Hons) has field study in their syllabus which carries 100 marks. Accordingly, the Department has decided to visit Darjeeling to study the Awareness of Disasters which are happening in different time periods at Darjeeling. Total number of students in SEM -6 is 20. Out of 20 students only 02 students are not going due to their medical reasons. So, we are going to the field study with 18 students. On account of this field study, students are paying Rs.8000/- (approx.) per head but unfortunately only four students are unable to pay such amount. However, they are able to pay a very meager amount.

Therefore, it will be helpful if you kindly consider their prayer and provide them financial support then they will be going to the field study in Darjeeling. Letter from the students is enclosed herewith. *at least 50% of approx. cost*

Thanking you.

Yours Sincerely,
Ant 22/03/2023
HOD,
Department of Sociology

Permit to Rs.5000

This may be forwarded to the student support cell for kind consideration & financial support to the students applied for.
Ant 22/03/2023

*The 3 students: Rusa Mondal, Sayaj Debsharma, Paiti Naskar may be granted financial support of 50% of the total excursion cost (Rs.4000 each).
Arushi Dhar has also submitted requisite documents.
So, total students = 4. (Rs.4000 x 4 = Rs.16000/-)*

*PC 27.3.2023.

Audit Report praising this Best Practice

PART-I- (Introduction)

The audit of office of the Moulana Azad College was conducted from 26/09/2023 to 30/09/2023 by the following members of field audit party of office of the Audit-I, West Bengal:-

Name	Designation
Paulomi Roy	Assistant Audit Officer (Ad-Hoc)
ShibSankarGuha	Assistant Audit Officer
Santosh Kr Debnath	Assistant Audit Officer
Sanjib Kumar Mohanty	Assistant Audit Officer
Ajay Prashad Shaw	Assistant Audit Officer

The major objective of this office is to impart higher education to students.

Total expenditure of Rs.56.70 crore was incurred by the audited entity during the period from 01.04.2020 to 31.03.2023.

Dr. Subhasis Dutta held the charges of Principal as well as also acted as Drawing and Disbursing Officer for the period covered under audit i.e., 01.04.2020 to 31.03.2023.

Consequent upon entry conference held on 26.09.2023 with the Principal, Maulana Azad College, Kolkata regarding the audit objectives and criteria, General state of internal controls and areas of focus by audit, an exit conference was also held on 30.09.2023 regarding audit observations mentioned in the Draft Inspection Report in compliance with the provisions laid down in 183 of General Standard of Chapter IV, General principal of Auditing Standard, Regulation of Audit & Account, CAG, 2007.

Hierarchy: - Principal, Maulana Azad College, Kolkata is under the control of Director of Public Instruction, West Bengal which is under the control of Principal Secretary to the Government of West Bengal, Higher Education Department.

Budget: -No budget was prepared by the authority. Allotment was sought as and when required.

Scope of Audit: - Audit was conducted to verify whether the unit office functional in accordance with the constitution and laws of parliament and legislative and the rules and orders governing it in regard to all financial matters.

PART- IVBest Practices

In order to ensure provide better higher education to the students admitted into the institution, the college authority blends modern scientific discourses with classical language and social studies. The college has a rich heritage in fundamental sciences as well as social sciences and commerce. The college is promoting inclusiveness in higher studies with financial support to fellow students in all disciplines.

PART-V Acknowledgement

The Inspection Report has been prepared on the basis of information/ records furnished and made available by the auditee unit. During the course of audit, the local office had extended all cooperation in furnishing of records.

Disclaimer:-The Inspection Report has been prepared on the basis of information furnished and made available by O/o the Principal, Maulana Azad College, Kolkata. The O/o the Principal Accountant General (Audit-I), West Bengal disclaims any responsibility for any misinformation and/or non- information on the part of the auditee.

Sustainable Practice: Nurturing an environment-friendly green campus through sustainable practices

Sustainable Practice: Nurturing an environment-friendly green campus through sustainable practices

Maulana Azad College is committed to nurturing an environment-friendly green campus through sustainable practices. Its aim is to:

- Adopt policies and undertake activities that contribute to creating a green, clean and environment-friendly atmosphere in the campus and beyond.
- Use power-efficient gadgets and equipment in order to decrease the carbon-footprint.
- Emphasise the use of renewable sources of energy to create an eco-friendly ambience.
- Cultivate environment-friendly habits amongst students and staff of the college.
- Promote environmental awareness through continual campaigns and drives.
- Foster sustainability in the college campus by striving to follow the guidelines of the central and state government which serve as the underlying principles for this practice.

If we consider this issue in the context of higher educational institutions in Kolkata, we find that Maulana Azad College is situated in the heart of the city and on the main road with heavy vehicular traffic. The campus is surrounded by a locality which has a very dense human habitation. Moreover, the neighbourhood is a buzzing business centre with numerous shops and establishments, including workshops and small-scale industries. Therefore, the area is congested, and is also frequented by people throughout the day for various commercial purposes. In view of this scenario of high-risk environmental factors, it is quite challenging to maintain a green and clean campus.

Despite its locational limitations, the college has endeavoured to create a clean, green and environment-friendly campus. Duly guided by the various rules and regulations of the central and state government, the college has framed policies (Energy management policy, green campus policy and Waste management policy) to promote a green and environment-friendly campus. It strives to uphold this mission in the following ways:

- Tree plantation in the college campus and hostel premises, particularly during the 'Aranya Saptaha'. Students are encouraged to take care of these saplings, with guidance from the NSS unit of the college and Botany Department.
- Cultivating a medicinal plant garden in one of the four gardens (Charbagh area) in the campus, and using organic fertilizers, compost, and eco-friendly pesticides.
- Using power-efficient electrical appliances and gadgets like star-rated air-conditioning machines, refrigerators, microwave ovens, etc.
- Installing LED lights and BLDC fans in the college and hostel to decrease electricity consumption.
- Adopting solar power through solar panels, and water-conservation (including rainwater harvesting and groundwater recharging).
- Regular cleaning of the college campus and hostel premises by NSS volunteers. On occasions, they also undertake such collaborative outreach drives beyond the campus like the Kolkata Maidan and Mullick Ghat on the bank of the Hooghly River.
- Organising seminars, workshops, etc. on environment-related issues regularly. While most of these are conducted in the college seminar hall, campus and adjoining areas, some events were also held online during the COVID-19 lockdown.
- Celebrating commemorative days like World Environment Day and World Biodiversity Day on 5th June and 22nd May with much fanfare.

GOVERNMENT OF WEST BENGAL

Office of the Principal
Maulana Azad College

8, RAFI AHMED KIDWAI ROAD, KOLKATA 700013, INDIA
Phone: 033 2249-3737/2226-7814 e-mail: maulanaazadcollegekolkata@gmail.com
Website: <https://maulanaazadcollegekolkata.ac.in>

- Putting up posters and signage at strategic places in the college and hostel to create awareness about environmental issues like conservation of Energy and water.
- Installing a Multiple sensor Remote sensing Air Quality and Air noise Monitoring system (AQMS and ANMS) with LED display unit in front of the college building to indicate Air Quality Index, Noise Level in decibels, etc. using Remote Sensing (RS) and Geographical Information System (GIS) to showcase these parameters.
- Training on waste management from specialized organisations like Garbage Free India (GFI) and Indian Oil (under Swachh Bharat program) so that there is proper segregation of different types of waste right at the source.
- Collaborating with NGOs like Vital Waste to manage and dispose of waste generated in the college campus and hostel premises.
- Disposing of electronic waste through agencies like WEBEL and Hulladek.
- Organic compost/ aerobic compost pits dug, and leaf-composting practised by the students of the Botany Department in association with NSS Volunteers and GFI.
- Minimising the use of plastic in the campus, especially single-use plastic. A recycle bank for plastic bottles has been created on the ground floor of the college so that they may be recycled.
- Environmental Studies is part of the curriculum and has been a compulsory subject for Undergraduate students of Maulana Azad College since 2001.
- The college conducts green/environment and energy audits regularly, and takes due measures accordingly.

These efforts have borne fruit in the following ways:

- The introduction of solar power in April 2021 by means of rooftop solar panels has been a significant achievement on the part of the college. The city of Kolkata, having a substantial summer season, leads to the generation of a reasonable quantity of solar energy which is subsequently be wheeled to the main electricity grid of the Calcutta Electric Supply Corporation (CESC). This net-metering not only results in reduction in expenditure on monthly electric bills, but also contributes to optimum usage of natural resources.
- The college has received substantial appreciation for adopting these practices from reputed external agencies like Hulladek, Vital Waste, Garbage Free India as well as the auditing body Management System Consultancy.
- It has also received ISO 50001:2018, ISO 9001:2015 and ISO 14001:2015 certifications from Assurance Quality Certification LLC for maintaining efficient energy management and green environment strategy in the college campus.
- However, a few problems were encountered while carrying out this practice. Sometimes, the equipment required for an environment-friendly campus malfunctioned, as evident during the period October 2022 to May 2023 when the solar panels could not generate solar power and offset the monthly electricity bills of the college. This implied that maintenance is a major aspect of such appliances and gadgets and needs to be given due attention.

Clean and green campus initiatives: A Green Campus is a place where environmentally friendly practices and education combine to promote sustainable and eco-friendly practices in the campus. Green campus activities are becoming integral part of modern-day education system and educational institutions act as pioneers in promoting these principles within society. To strongly support a sustainable and climate friendly environment, Maulana Azad college initiated this program. This practice involves the use of energy efficient measures, comprehensive recycling and green landscaping in the campus.

Green and clean campus is the responsibility of everyone. For this purpose, the following measures have been considered by the college:

Plastic free zone: Maulana Azad College has imposed a ban on use of plastic, especially single-use plastic, inside the campus to address environmental hazards. All the Students, Teaching and Non-teaching staff are strictly requested to avoid single-use plastic inside the college campus and follow the guidelines issued by the University Grants Commission.

Ban on smoking, tobacco and tobacco products: Considering the serious health issues, Maulana Azad College has also strictly banned smoking and chewing of tobacco products like gutkha, paan masala, etc. inside the college campus.

Use of solar energy and energy conservation: 20 kWp Rooftop Solar PV Power Plant, sanctioned by West Bengal Renewable Energy Development Agency (WBREDA), Kolkata, an autonomous organisation under Non-Conventional and Renewable Energy Sources, Government of West Bengal, started producing electricity in the grid from April, 2021, thereby augmenting the overall energy scenario of the college.

Installed solar panel on college

Timer controlled compound lights

In college LED bulbs, BLDC fans, star rated air conditioners with timer and refrigerators are used to save and conserve energy. Faculty members of the institution motivate students in implementing the minimal use of air conditioners, switching off light, fans etc.

Waste Management: Non-hazardous solid garbage from the college campus and college canteen is segregated in waste collection bins, disinfected with formalin or bleaching powder, and

Website: <https://maulanaazadcollegekolkata.ac.in>

regularly disposed of via Kolkata Municipal Corporation's garbage collection and transportation vehicle. Defunct electronic gadgets and appliances from laboratories, libraries, and offices are disposed of by reputed e-waste management companies.

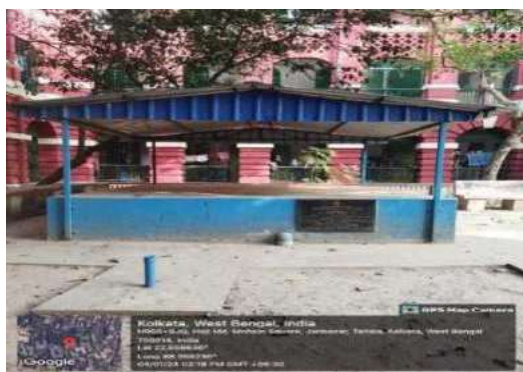

Campus cleaning: Students are encouraged to use paper and cloth bag to minimize the use of plastic. Dustbins are kept in every classroom, laboratory, corridor, porch, and college premises for maintaining cleanliness. The NSS unit of the college deserves a special mention for organizing regular campus cleaning campaigns, inside

and outside the campus to motivate students, shopkeepers, and the community at large.

Garbage cleaning programme inside and outside the college campus

Installation of 'Rain Water Harvesting' system: Fully-functional rainwater harvesting and groundwater recharge system have been installed in the Baker Government Hostel of the college, where collected rain water is allowed to percolate into the system, assisting groundwater recharge.

Rain water harvesting and ground water recharge system

Underground reservoir 1 and 2 at college

Plantation drive:

Every year during the monsoon, World Environment Day and other special days for green earth are observed. In these programmes Faculty members and students participate with full zest and fervor and plant saplings. The nurturing and enrichment of a medicinal herbal garden and a Botanical-garden are also identified as the key areas related to the initiative.

Plantation in college campus and hostel by NSS

Respected Principal Sir planted a tree in the College Campus

Awareness programmes:

Maulana Azad College always took necessary measures to keep the campus clean, green and healthy. Many awareness programs have been arranged so that relevant messages could be circulated among the students, teachers and staff members of the institution. The NSS Unit of Maulana Azad College orchestrated an impactful waste management workshop cum training in association with Garbage Free India (GFI) NGO. The event aimed to sensitize participants about responsible waste disposal and the significance of environmental sustainability by showing practical demonstrations on waste segregation, recycling methods, and the impact of improper waste disposal on ecosystems.

The NSS Unit of Maulana Azad College conducted the "Save Green Keep Clean" campaign with great enthusiasm. The initiative aimed to promote environmental consciousness and cleanliness within the college premises and its surrounding areas. Volunteers actively engaged in various activities including tree plantation, waste segregation, and awareness drives on the importance of environmental preservation.

Key Indicator - Facilities in the Institution for the management of various types of degradable & non-degradable waste

1. Source segregation of different degradable and non-degradable wastes :

- Dry wastes(plastic, papers, e-wastes etc.) in **BLUE** bins
- Wet wastes (food, kitchen wastes, garden wastes etc.) in **GREEN** bins
- Hazardous wastes (Chemicals, medicines, toilet wastes etc.) in **RED** bins

Blue and green bins installed at strategic positions in college building

Red bins installed at laboratories that produce hazardous wastes

Red bins installed at ladies toilets
